Distribution

# INFINEON meets AGH University

19 January 2023, room H24, B1 building

Please be welcomed to join our IPCEI Microelectronics STEM Workshop at AGH

**Discover more about: Infineon & Intelligent Power Distribution for 12V/24V and 48V Automotive Applications**

AGENDA

10:00 - 10:10am Welcome, Prof. dr hab. inż. Robert Stala

10:10 - 10:50am IPCEI Presentation and related Internship and PhD topics by Hans Peter Kreuter and Christian Lehner, Infineon

10:50 - 11:45am Thematic Session Intelligent Power Distribution, by Hans Peter Kreuter  
Coffeebreak

13:00-14:30 pm Interactive Part training for Students, Laboratory demonstrations of Infineons Hardware (room 311, D2 building, internal AGH registration)

14:30-16:00 pm Interactive Part training for Students, Laboratory demonstrations of Infineons Hardware (room 311, D2 building, internal AGH registration)
