last data migration: ~3 hours ago

Welcome to the USOSweb service of AGH University of Krakow

USOSweb is an online USOS module designed for students and teachers.

The data migration between different modules happens twice a day, around 6:30 AM and 4:30 PM. During that time the system may not be available for a short while. Information entered by the faculty staff will be visible after the migration, but information entered by teachers and students is visible immediately.

Every student is **obliged to** create university email account in the agh.edu.pl domain. In order to create an account, please use the following service:
<https://panel.agh.edu.pl/newuser/newuser-en.php>

You should use your university email to contact university employees. This is required to properly validate your identity. Please also state your name, surname and album number in the email.

2. Go to the **STUDENT'S SECTION**.

The screenshot displays the AGH University of Krakow website. The header features the university's name and a navigation bar with links: NEWS, DIRECTORY, MY USOSWEB, **STUDENT'S SECTION** (highlighted with a red arrow), STAFF SECTION, and COMMON SECTION. A left sidebar lists 'MY SHORTCUTS' including SCHEDULE, CLASS GROUPS, CUSTOM SCHEDULES, USOSMAIL, STATEMENTS, and PRIVACY PREFERENCES. The main content area is divided into three columns. The first column contains a 'Linkage' section stating the user is registered for 12 courses and a 'Schedule - current week' section with a calendar icon. The second column has a 'Student's tests' section indicating no tests are currently present, with a 'more...' link, and a 'Student's classes' section. The third column features a 'Directory' section with links to People, Course, Faculties, and Studies directories, along with search filters for first/last name, department, course, and study program.

3. Click **TOKEN REGISTRATIONS**, in the left hand menu.

The screenshot displays the AGH University of Krakow website. The header features the university's logo and name. Below the header is a navigation bar with links: NEWS, DIRECTORY, MY USOSWEB, STUDENT'S SECTION (highlighted with an orange underline), STAFF SECTION, and COMMON SECTION. On the left side, there is a sidebar menu under the heading 'INDEX'. This menu includes 'REGISTRATIONS' with sub-links for calendar, cart, for courses, direct for groups, and group preferences; 'REGISTRATIONS FOR EXAMS'; and 'TOKEN REGISTRATIONS', which is highlighted with a red arrow. The main content area contains six tiles: 'Registrations' (shopping cart icon), 'Tests' (document icon with 4+), 'Final grades' (4+ icon), 'Linkage' (paperclip icon), 'Decisions' (gavel icon), and 'Promotions' (flag icon). Each tile provides a brief description of its function.

9. Click a cart next to a chosen course to register for it.

Remember to register for lectures and all forms of classes that a course consists of. In order to complete a chosen course you need to follow all forms of classes. (e.g. in order to complete the Real Time Operating Systems in Control Applications course, it is required to register for both lectures and laboratory classes and obtain 6 ECTS credits). Sum of tokens assigned to particular forms of classes within a given course corresponds to a number of ECTS credits that a student shall obtain in order to complete a given course.
